In the matter of the Petition  
and Resolution for the Opening of  
the Alley between Alexander  
Avenue and Abbott Street.

Comes now Valentine Kritzman and files his remonstrance against the opening of said alley and alleges therein that he owns lots Nos. 60 and 61 in Abbott's out lots, Adams Township, Allen County, Indiana; and that said alley will intersect said lots North and South thereby dividing said lots into two sections and said proposed alley will not intersect said lots at right angles but diagonally and will thereby damage said lots and the value of them, that if said proposed alley is constructed the same will divide the buildings located on the said premises, leaving the barn and other out buildings on the west side of said alley and the dwelling house upon the east, and that it will be necessary to move said barn which will incur the expense to your remonstrant and said land taken for the construction of said alley is valuable and will also damage said premises. Your remonstrant further avers that the construction of said proposed alley will cause damage to him in the sum of \$250.00 and he prays that if said alley be constructed that he be awarded the sum of \$250.00 as damages.
